OUR TOP TIPS FOR EXPLORING

With more than 150 wineries and 27 cellar doors, indulging in a taste of incredible wines, from the iconic to the organic and boutique, is easy.

- Book a guided tour or create your own bespoke self-drive wine trail.
- Hire a bike to slow down and enjoy the beautiful scenery as you pedal between cellar doors.

- Pair your tastings with a delicious gourmet platter, vineyard lunch or dinner at an incredible restaurant.
- Many cellar doors have seasonal hours, so check their website before you go.

As New Zealand's largest wine region, there are many intriguing varieties to explore. Discover the unique flavours of our world-famous sauvignon blanc, try our rich, exquisite pinot noir, intense chardonnay, fine sparkling wines and vivacious aromatics, many of which are exclusively served in our tasting rooms.

Along the way, you'll learn about the wine pioneers who recognised something special in this land in the 1880s, a century before the first vines of the modern era were planted, and our sauvignon blanc hit the international stage. Visit some of those original wine labels, meet the families who continue the legacy, and find out why our soils, climate and winemakers' visions make our award-winning wines impossible to imitate.

However you choose to explore our region, you'll soon know why the world celebrates Marlborough wine.
